Hi Melissa

Thanks for the referral. I've reviewed the documents and there are no State Heritage concerns in relation to this project.

Based on this, the Heritage Division of OEH has no advice to provide.

Kind regards
Adrian

Subject: Bobs Farm Sand Mine Project (SSD 6395) - Advice Requested

Good Afternoon,

State Significant Development Application – Bobs Farm Sand Mine Project (SSD 6395)

Ammos Resource Management Pty Ltd (the Applicant) has submitted a state significant development application for the **Bobs Farm Sand Mine Project**, in the Port Stephens Council local government area.

The Bobs Farm Sand Mine Project seeks to:

- establish and operate a quarry to extract and process sand at a rate of 750,000 tonnes per annum, over a period of 15 years, from a total resource of 10 million tonnes;
- extract sand using both dry mining excavation and wet mining dredging methods;
- construct sand processing and transport infrastructure;
- transport sand products off-site via public roads; and
- rehabilitate the site to include approximately 12 hectares of forest and a 24.8 hectare artificial lake.

-
The Department is seeking advice from the **Heritage Council of NSW** regarding this project.

If you could please provide advice on the proposed modification (including any recommended conditions of consent) by close of business on **Wednesday 16 January 2019**.

The Environmental Assessment (EA) may be accessed from the Departments website using the link below:

http://majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=6395

The proposal will placed on public exhibition from **Wednesday 28 October 2018 until Friday 1 February 2019**.

For further queries, please do not hesitate to contact me on the details below.

Regards

Melissa
