Dear Mr Thomson,

**Redlands School Senior Campus (SSD 6454)
Operational Transport Management Plan - Internal Access Road, Conditions E5 and E6**

I refer to your submission of the Operational Transport Management Plan (OTMP), version 1.0 dated 25 May 2021, under condition E5 of Redlands School Senior Campus (SSD 6454). The Department has completed its review and I thank you for your response to our review comments.

I note that the OTMP:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition E5 and E6; and
- has been submitted to the Department prior to the commencement of use of the internal access road between Waters Road and Military Road.

As nominee of the Planning Secretary, I am satisfied that the revised OTMP, version 1.0 dated 31 May 2021, has been prepared in accordance with condition E5 of SSD 6454.

You are reminded that if there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, or wish to discuss this matter further, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
