Narrabri Cycle and Triathlon Club, Narrabri NSW, made the following submission on the project:

[Narrabri Gas Project](#)

Supports this project

The Narrabri cycle and triathlon club supports the project fully. Along with other sporting bodies, We have received support from Santos in the past which allowed us to run events for our members. Without organizations such as Santos, a lot of sporting entities would struggle to stay afloat. Whilst Santos themselves actively support local sporting associations, a lot of other entities supporting such associations could only do so due to the success they have achieved by association with the project. If this project was not to go ahead, it would have a devastating effect on sporting financial support.
