Yarrie Lake Flora and Fauna Trust, Narrabri NSW, made the following submission on the project:

Narrabri Gas Project

Supports this project

1. The Yarrie Lake Flora and Fauna Reserve is a Crown Reserve wholly within the Narrabri Gas Project exploration area.
2. The reserve is located 25km west of Narrabri. The reserve is used for recreation including boating activities, camping, bird watching and passive recreation. The reserve is used 12 months of the year. There are approx. 130 annual boat permits issued each year to recreational boat owners.
3. The Reserve is administered by a volunteer Trust Board consisting of 7 members drawn from the local community.
4. The current Trust Board members are all local persons and have some 130 years combined service on the Yarrie Lake Flora and Fauna Reserve Trust.
5. Some of the Trust Board members own agricultural properties within the NGP exploration area.
6. At its general meeting in March 2017 the Trust Board voted unanimously to support the Narrabri Gas Project..
7. The Board members indicated that they held no concerns regarding the NGP and despite the proximity to the NGP did not hold the view that there were any issues warranting concern.
