Description	The project involves the progressive development of a coal seam gas field over 20 years with up to 850 gas wells and ancillary infrastructure, including gas processing and water treatment facilities.
Location	The project area extends from approximately 10 to 50 kilometres south and south-west of Narrabri incorporating areas of the Pilliga Forest
Applicant	Santos NSW (Eastern) Pty Ltd
Council Area	Narrabri Shire
Determination	Consent granted, subject to conditions
Determination Date	30 September 2020
Registration Date	30 September 2020
Consent Authority	Independent Planning Commission

On 30 September 2020 the Independent Planning Commission (the Commission) granted consent for the development application (SSD-6456) for the Narrabri Gas Project in accordance with Part 4 of the *Environmental Planning and Assessment Act 1979* (the Act).

The development consent is subject to conditions which, are available on the Department's website. The reasons for approval and conditions are provided in the assessment report and the Commission's Statement of Reasons. These documents can be found on the Department's major project's website at: <https://www.planningportal.nsw.gov.au/major-projects/project/10716>

The consent has effect on and from 30 September 2020.

The consent lapses on 30 September 2025 (five years after the date the consent has effect) unless the development has physically commenced before that date (in the case of development consent for the erection of a building, subdivision of land or the carrying out of a work) or if the use of land, building or work has actually commenced before that date.

The Commission conducted a public hearing in respect of the application.

Reviews/Appeals

Certain appeal and review rights are available to applicants and objectors following determination of a development application.

The applicant does not have the right to request a review of the determination under section 8.3 of the Act.

As there was a public hearing by the Commission, neither the applicant nor the objectors have a right to appeal to the Land and Environment Court under section 8.8 of the Act.
