Dear Ms. Dunlop,

I refer to the Environmental Management Strategy submitted in accordance with Schedule 2, Condition D1 of the Development Consent for Phase 1 of the Narrabri Gas Project (SSD 6456). I also acknowledge your response to the Department's review comments and requests for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in the consent (SSD 6456).

Accordingly, as nominee of the Planning Secretary, I have conditionally approved the Environmental Management Strategy for Phase 1 (Revision 0A, 10 November 2022).

The Department requires you to review and (if necessary) revise the Environmental Management Strategy and resubmit to the Department for review and approval, via the Major Projects Portal, prior to Phase 2.

Please ensure you make the document publicly available on the project website at the earliest convenience.

Yours sincerely
