Re: Narrabri Gas Project: Rehabilitation Management Plan

Dear Mr Jones,

I refer to the Rehabilitation Management (RMP) for the Narrabri Gas Project: Phase 1, which was required to be prepared to the satisfaction of the Resources Regulator under the provisions of condition B83 of development consent SSD-6456.

The Regulator has reviewed the RMP submitted by Santos (Revision 0A dated 1 June 2022) and considers it to be satisfactory for implementation on the Narrabri Gas Project, once it has been approved by the Planning Secretary, in accordance with condition B84.

Sincerely

Scott Murray  
Director Compliance
