

Potential Impact to historical relics from current UoN piling plan:

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
Piling holes (P)*	P1		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling	
	P2		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling; c1880s weatherboard extension to c1870s two storey brick building	
	P3		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery); c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery); c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling c1880s weatherboard extension to c1870s two storey brick building	
	P4		Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1870s weatherboard building, bakery converted to pub (Princess Royal Hotel)	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s three storey brick pub (Federal Hotel)	Test Trench 4 located in the same vicinity
	P5	c1857 weatherboard cottages, residential dwellings	Late c1860s-1870s wood/weatherboard cottage with shopfronts	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s one storey brick commercial dwelling (Fuller and Rodgers)	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s one storey brick commercial dwelling (E&CS)	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	P6	c1857 weatherboard cottages, residential dwellings	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1857 weatherboard cottages, residential dwellings	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	Test trench 10 located in the same vicinity
	P7	c1857 weatherboard cottages, residential dwellings	c1857 weatherboard cottages, residential dwellings	c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	P8	c1857 weatherboard cottages, residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings		Late c1870s two storey brick building, shopfronts and residential dwellings	Test trench 13 located in the same vicinity
	P9		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building; early 20 th century two storey brick dwelling	Test trench 2 located in the same vicinity
	P10		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building	Test trench 2 located in the same vicinity
	P11		Late c1860s-1870s wood/weatherboard cottage; c1880s detached extension to pub (Princess Royal Hotel)	Late c1860s-1870s wood/weatherboard cottage; c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel); early 20 th century two storey brick dwelling	
	P12		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage		
	P13		c1860s-1880s structure, possible outhouse or shed		early 20 th century two storey brick dwelling	
	P14				early 20 th century two storey brick dwelling	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	P15		c1880s detached extension to pub (Princess Royal Hotel)	c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel)	Test trench 5 located within the same vicinity
	P16		c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	Early 20 th century three storey brick building (Oddfellow's Hall)	
	P17		c1860s-1880s structure, possible outhouse or shed	c1860s-1880s structure, possible outhouse or shed	early 20 th century two storey brick dwelling	
	P18			c1890s structure, possibly shed or outhouse	c1890s three storey brick pub (Federal Hotel)	
	P19					
	P20		c1860s-1870s shed			
	P21			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	P22	c1858 brick building, possibly early bakery and residence.	c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	Early 20 th century three storey brick building (Oddfellow's Hall)	Test trench 3 located within the same vicinity
	P23		c1860s-1870s outhouse associated with c1858 brick building (possibly early bakery and residence)		Early 20 th century three storey brick building (Oddfellow's Hall), adjacent one storey structure (likely shed or outbuilding)	Test trench 6 located in the same vicinity
	P24					
	P25		c1860s-1870s shed			Test trench 9 located in the same vicinity
	P26	c1858 residential dwelling	c1858 residential dwelling; c1860s-1870s shed	c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron; early 20 th century garage	
	P27	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	Test trench 12 located in the same vicinity

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	P28	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	P29	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	P30	c1858 dwelling, possible iron and wood construction			c1910s-1920s warehouse and shed, possibly corrugated iron	
	P31	c1858 dwelling, possible iron and wood construction			c1910s-1920s warehouse and shed, possibly corrugated iron	
	P32			c1870s-1890s outhouse; c1890s sheds, possibly corrugated iron construction	c1910s1920s warehouse and shed, possibly corrugated iron	
	P33		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage with shopfronts (also including possible early 20 th century extensions)	
	P34			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS); c1910s1920s warehouse and shed, possibly corrugated iron	
	P35			c1890s sheds, possibly corrugated iron construction	c1910s1920s warehouse and shed, possibly corrugated iron	
	P36			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS); c1910s1920s warehouse and shed, possibly corrugated iron	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	P37			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	P38		Late c1870s two storey brick building, shopfronts and residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings	Test trench 13 located in the same vicinity
Core Pile Cap (CPC)			Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage; c1890s structure, possibly shed or outhouse	Late c1860s-1870s wood/weatherboard cottage with shopfronts (also including possible early 20 th century extensions); c1890s structure, possibly shed or outhouse; c1890s three storey brick pub (Federal Hotel)	Test trench 8 located in the same vicinity
Pile Cap Tie Beams (T)	T1		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery); c1870s weatherboard building, bakery converted to pub (Princess Royal Hotel)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery); c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel); c1870s two storey brick shopfront and residential dwelling	Test trench 4 located in the same vicinity
	T2		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling	Test trench 1 located in the same vicinity
	T3		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1880s weatherboard extension to c1870s two storey brick building	
	T4		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery);	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery);	c1890s three storey brick pub (Federal Hotel);	Test trench 1 located in the same vicinity

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
			c1870s weatherboard building, bakery converted to pub (Princess Royal Hotel)	c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1870s two storey brick shopfront and residential dwelling	
	T5		Late c1860s-1870s wood/weatherboard cottage with shopfronts;	Late c1860s-1870s wood/weatherboard cottage with shopfronts	Late c1860s-1870s wood/weatherboard cottage with shopfronts	Test trench 7 located in the same vicinity
	T6	c1857 weatherboard cottages, residential dwellings	Late c1860s-1870s wood/weatherboard cottage with shopfronts;	Late c1860s-1870s wood/weatherboard cottage with shopfronts	c1890s one storey brick commercial dwelling (E&CS)	Test trench 10 located in the same vicinity
	T7	c1857 weatherboard cottages, residential dwellings	c1857 weatherboard cottages, residential dwellings	c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	Test trench 10 located in the same vicinity
	T8	c1857 weatherboard cottages, residential dwellings	c1857 weatherboard cottages, residential dwellings	c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	T9		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery);	c1880s weatherboard extension to c1870s two storey brick building; Early 20 th century two storey	
	T10		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery);	c1880s weatherboard extension to c1870s two storey brick building	
	T11		c1870s weatherboard building, bakery converted to pub (Princess Royal Hotel); c1880s detached extension to pub (Princess Royal Hotel)	c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	Late c1860s-1870s wood/weatherboard cottage with shopfronts; c1890s three storey brick pub (Federal Hotel)	
	T12			Late c1860s-1870s wood/weatherboard cottage with shopfronts;	Late c1860s-1870s wood/weatherboard cottage with shopfronts	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
				c1890s two storey brick pub (Princess Royal Hotel, later Federal Hotel)		
	T13		c1880s weatherboard extension to c1870s two storey brick building (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery);	c1880s weatherboard extension to c1870s two storey brick building	Test trench 2 located in the same vicinity
	T14		c1880s detached extension to pub (Princess Royal Hotel)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery); c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel)	
	T15		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage		
	T16			Late c1860s-1870s wood/weatherboard cottage with shopfronts	Late c1860s-1870s wood/weatherboard cottage with shopfronts	
	T17				early 20 th century two storey brick dwelling	
	T18				early 20 th century two storey brick dwelling	
	T19		c1880s detached extension to pub (Princess Royal Hotel)	c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel)	
	T20		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage with shopfronts (also including possible early 20 th century extensions)	
	T21			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	T22				early 20 th century two storey brick dwelling	
	T23			c1890s three storey brick pub (Princess Royal Hotel, later Federal Hotel)	c1890s three storey brick pub (Federal Hotel); early 20 th century two storey brick dwelling	
	T24		c1860s-1880s structure, possible outhouse or shed		early 20 th century two storey brick dwelling	
	T25		c1860s-1880s structure, possible outhouse or shed		early 20 th century two storey brick dwelling	
	T26				c1890s three storey brick pub (Federal Hotel)	Test trench 5 located in the same vicinity
	T27					
	T28				c1890s three storey brick pub (Federal Hotel); early 20 th century two storey brick dwelling; Early 20 th century three storey brick building (Oddfellow's Hall)	
	T29			c1870s-1890s outhouse; c1890s structure, possibly shed or outhouse		
	T30					
	T31					
	T32			c1870s-1890s outhouse;		
	T33			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T34	c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	Early 20 th century three storey brick building (Oddfellow's Hall)	Test Trench 3 located in the same vicinity

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	T35	c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	c1858 brick building, possibly early bakery and residence	Early 20 th century three storey brick building (Oddfellow's Hall)	Test Trench 3 located in the same vicinity
	T36		c1860s-1870s outhouse associated with c1858 brick building (possibly early bakery and residence)	c1890s structure, possibly shed or outhouse	Early 20 th century three storey brick building (Oddfellow's Hall), adjacent one storey structure (likely shed or outbuilding)	
	T37	c1857 weatherboard cottages, residential dwellings	c1857 weatherboard cottages, residential dwellings			
	T38		c1860s-1870s shed			Test trench 9 located in the same vicinity
	T39			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T40	c1858 brick building, possibly early bakery.	c1860s-1870s outhouse associated with c1858 brick building (possibly early bakery and residence)	c1858 brick building, possibly early bakery and residence	Early 20 th century three storey brick building (Oddfellow's Hall)	Test trench 6 located in the same vicinity
	T41				Early 20 th century three storey brick building (Oddfellow's Hall), adjacent one storey structure (likely shed or outbuilding)	Test trench 6 located in the same vicinity
	T42					Test trench 9 located in the same vicinity
	T43		c1860s-1870s shed		early 20 th century garage	
	T44			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	Test trench 12 located in the same vicinity
	T45	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	T46	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T47	c1858 dwelling, possible iron and wood construction		c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T48			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T49	c1858 dwelling, possible iron and wood construction			c1910s-1920s warehouse and shed, possibly corrugated iron	
	T50			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T51			c1870s-1890s outhouse		
	T52		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage with shopfronts (also including possible early 20 th century extensions)	
	T53			c1890s one storey brick commercial dwelling (Fuller and Rodgers); c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T54			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	T55			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1910s-1920s warehouse and shed, possibly corrugated iron	
	T56	c1858 dwelling, possible iron and wood construction			c1910s-1920s warehouse and shed, possibly corrugated iron	

Development Impact		1858 Plan	1886 Plan	1896 Plan	1922 Plan	Notes
	T57			c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	T58	c1857 weatherboard cottages, residential dwellings	c1857 weatherboard cottages, residential dwellings	c1890s one storey brick commercial dwelling (Fuller and Rodgers)	c1890s one storey brick commercial dwelling (E&CS)	
	T59		c1857 weatherboard cottages, residential dwellings; Late c1870s two storey brick building, shopfronts and residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings; c1890s one storey brick commercial dwelling (Fuller and Rodgers)	Late c1870s two storey brick building, shopfronts and residential dwellings; c1890s one storey brick commercial dwelling (E&CS)	Test trench 10 located in the same vicinity
	T60		Late c1870s two storey brick building, shopfronts and residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings	Late c1870s two storey brick building, shopfronts and residential dwellings	Test trench 10 located in the same vicinity
Storm water tank (SW)	SW1		c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)	c1870s two storey brick shopfront and residential dwelling (Breckinridge's drapery)		
	SW2		Late c1860s-1870s wood/weatherboard cottage	Late c1860s-1870s wood/weatherboard cottage; c1870s-1890s outhouse; c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	
Fire Water Tank (FW)	FW1			c1890s sheds, possibly corrugated iron construction	c1910s-1920s warehouse and shed, possibly corrugated iron	Test trench 11 located in the same vicinity
Rain Water Tank (RW)	RW1	c1858 dwelling, possible iron and wood construction			c1910s-1920s warehouse and shed, possibly corrugated iron	

*Refer to plan for location of each specific piling hole (P) and Tie Beam (T) in reference to the numbering system within the table.
Archaeological test trenches are outlined and numbered in purple.

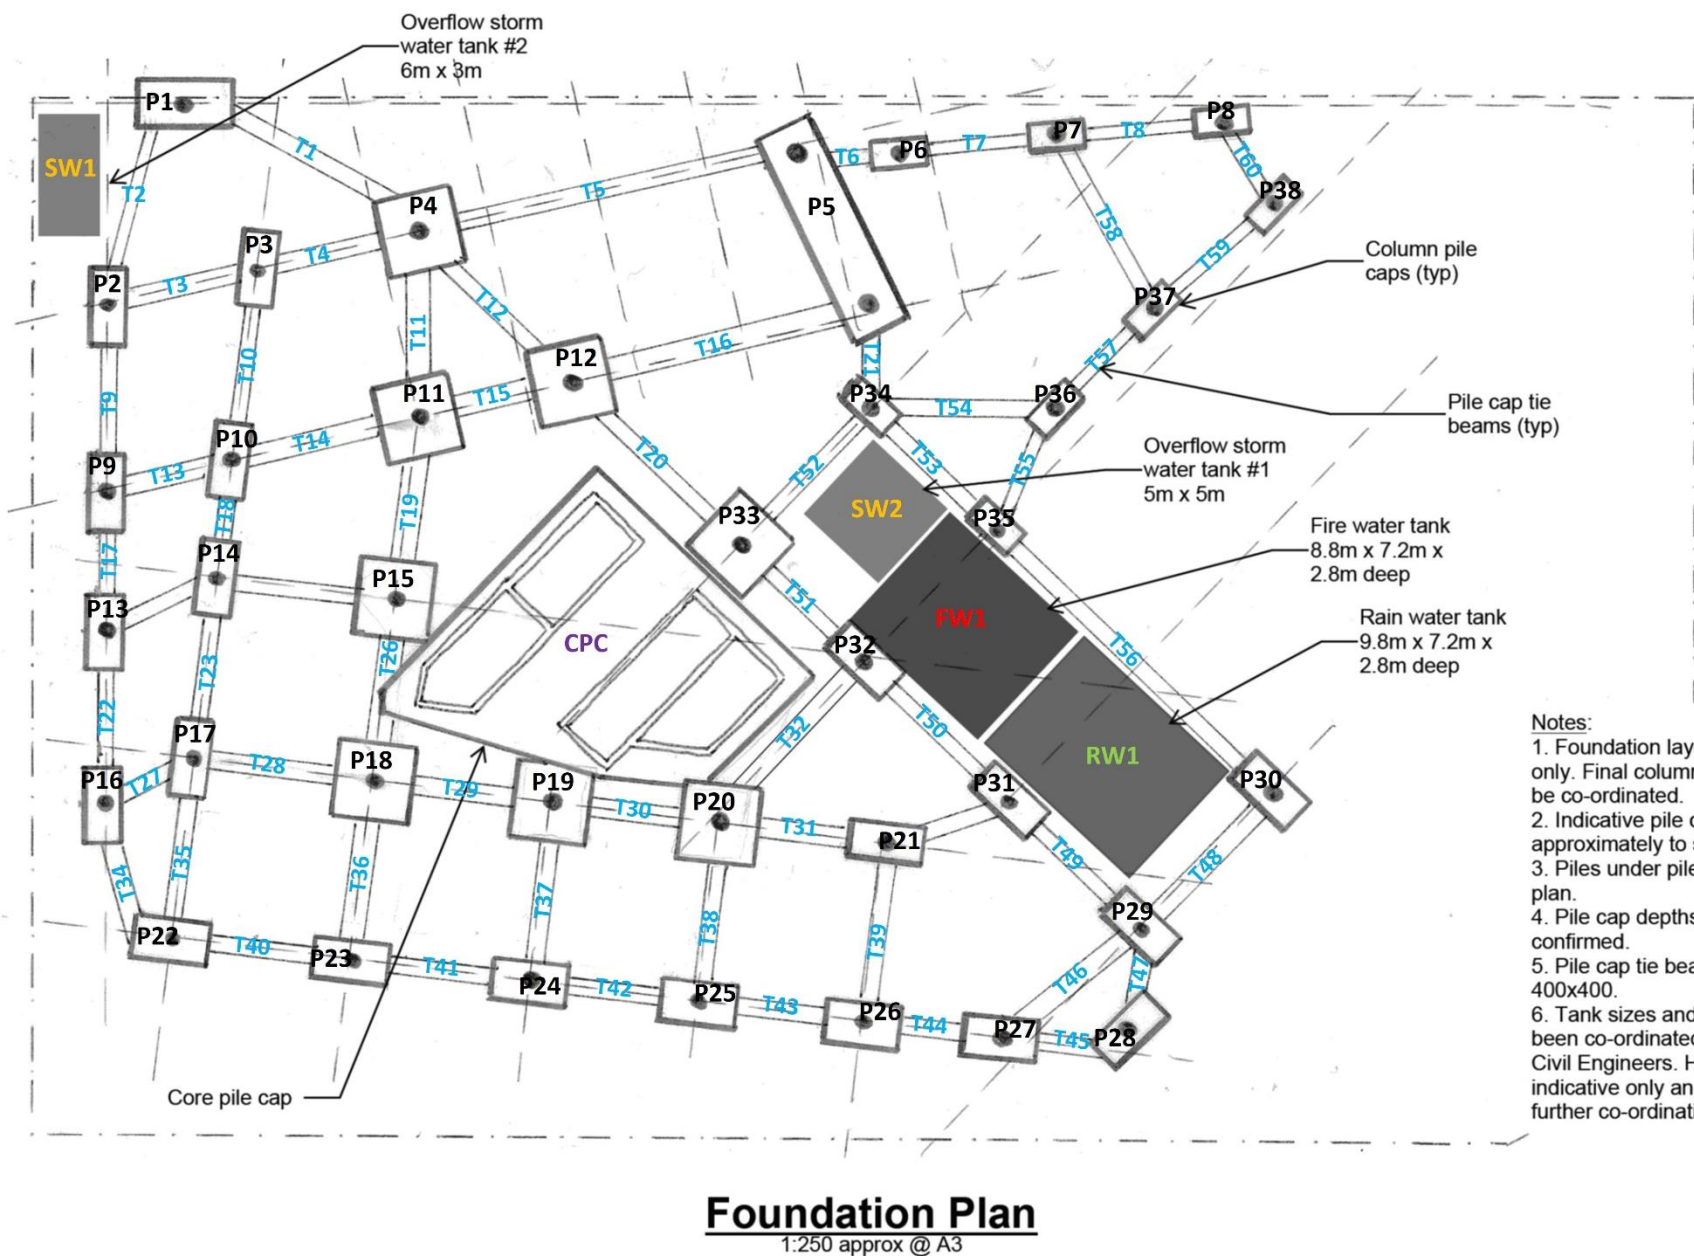

Figure 1 Foundation plan, showing the numbering system for each impact feature.
