**Subject: Wollombi Brook Conservation Management Plan for Warkworth Continuation Project
(condition 38 of Schedule 3 of SSD 6464)**

Dear Mr Mulhearn

I refer to your recent submission requesting approval of the revised Wollombi Brook Conservation Management Plan following an update to reflect the final land survey, approach for conservation agreements, interactions with overlapping tenements and biodiversity offset areas.

I note the revised Wollombi Brook Conservation Management Plan has been prepared in consultation with Heritage NSW and relevant Aboriginal stakeholders and contains the information required by the relevant conditions of consent.

As nominee of the Planning Secretary, I approve the revised Wollombi Brook Conservation Management Plan (version 2, dated 16 June 2022) under condition 38 of Schedule 3 of SSD 6464.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Joe Fittell on (02) 4908 6896.

Yours sincerely
