Subject: Mount Thorley Continuation Project (SSD-6465) Warkworth Continuation Project (SSD-6464) - Revised Noise Management Plan

Dear Mr Mulhearn,

I refer to your submission dated 25 July 2025, requesting approval of the revised Noise Management Plan, which was submitted in accordance with Condition 5 of Schedule 3 of the consent for the Mt Thorley Continuation Project (SSD-6465) and Condition 7 of Schedule 3 of the Warkworth Continuation Project (SSD-6464).

The Department acknowledges that revisions were required to address updates to EPL references, clarification on noise monitoring procedures following a noise exceedance reported 21 July 2022, and other minor administrative matters.

The Department has carefully reviewed the document and is satisfied that it is consistent with the relevant conditions of consent.

Accordingly, the Planning Secretary has approved the revised Noise Management Plan (Revision 5.3, dated 29 July 2025). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,

Jack Turner
