Dear Ms Webster,

On behalf of the of the Royal Botanic Gardens and Domain Trust (the Trust), I wish to respond to the proposed landscape modification plan as presented to me and key Directors of the Trust on 18 June 2020.

The Trust supports the landscape plan prepared by landscape architects GGN and presented to the Sydney Modern Project Precinct Working Group for the area that is subject to the Project Development Deed and comprising of the areas over the land bridge and oil tanks.

I look forward to receiving continued progress reports on the Sydney Modern Project and am looking forward to the proposed landscape plan coming to fruition.

Kind regards,
