Dear Ms Webster

**Sydney Modern Art Gallery (SSD-6471-PA-19)  
Independent Environmental Audit Report**

Reference is made to the Independent Environmental Audit (IEA) report and Response to Audit Recommendations (RAR) for the Sydney Modern Art Gallery, prepared as required by Schedule 2 Part B Condition B15 of SSD-6471 consent and submitted to the Department of Planning, Industry and Environment (the Department) on 24 June 2021.

The Department considers that the IEA report generally satisfies the reporting requirements of the consent. Please note that acceptance of this report is not endorsement of the compliance status of the project.

Non-compliances identified in the IEA have been assessed in accordance with the Department's Compliance Policy with the Department on this occasion, determining to record the breaches with no further enforcement action. However, please note that recording the breach does not preclude the Department from taking alternative enforcement action, should it become apparent that an alternative response is more appropriate.

Please include a status update for all actions provided in the RAR in the next Annual Review, until all actions are completed.

If you wish to discuss the matter further, please Ania Dorocinska on 9274 6225.

Yours sincerely
