RE: SSD 6741: CoC A9 Review of Strategies, Plans & Programs – May 2021

Alex,

Pursuit Clause SSD 6741 Condition A9, RCC advises the Department of Planning, Industry & Environment that a review of the Strategies, Plans & Programs for the Sydney Modern Project is being carried out as result of CoC A9 (c) being triggered, Wolf Peak Independent Audit Report dated 13th April 2022 – Rev 2.

The findings of the review will be communicated at the end of the review period.

If you have any queries, please don't hesitate to contact the undersigned.

Thanks
