Subject: Dolwende Quarry – CTMP Staging Request

Dear Mr Williams

I refer to your submission dated 1 April 2026 requesting the Planning Secretary's approval to stage the development of the Construction Traffic Management Plan (CTMP) for the Dolwende Quarry (SSD-6519), as follows:

- Stage 1 CTMP – internal haul road from quarry to property boundary (internal works); and
- Stage 2 CTMP – intersection with Golden Highway (under a Works Authorisation Deed).

The Department has reviewed your request and is satisfied that the staging can be undertaken in accordance with the relevant requirements of the conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the proposed staging.

If you wish to discuss the matter further, please contact James McDonough on 02 9585 6313.

Yours sincerely

Carl Dumbleton
Team Leader
