**Re:- Martins Creek Quarry Project SSD\_14\_6612 - Request for Road Work Information**

Dear Mr Murray,

Reference is made to your e-mail below requesting information regarding works on various roads south of the Martins Creek Quarry.

I provide the following information:-

- Total Road - Black Spot Works South of Webbers Creek Bridge - Approximately 450m of Road Rehabilitation, widening, cross-fall correction, centre median and guardrail extension funded under the Federal Government's Black Spot Programme. Works commenced November 2015 and was completed in May 2016;
- Total Road - Guardrail Works North of Webbers Creek Bridge - New guardrail on bridge approach. March/April 2016;
- Total Road - Flood Rehabilitation works:-
  - o South of Webbers Creek Bridge - Damage occurring in April 2015 Storm Event - Pavement repairs to allow traffic prior to the commencement of the above Black Spot works. Undertaken April/May 2015;
  - o South of Paterson - Damage occurring in April 2015 Storm Event - Approximately 800m of pavement repairs including stabilisation. Commenced April/May 2015 - Final Seal late 2015;
- Gresford Road - Damage occurring in April 2015 Storm Event - Approximately 80m of pavement repairs including stabilisation. Undertaken April/May 2015;
- Dungog Road - Minor Heavy Patching Works north of Gostwyck Bridge;
- Other Storm Related Works - Clean up works including drainage maintenance, tree clearing, pothole patching, etc undertaken immediately after the April 2015 Storm Event;
- General - Various other general maintenance activities (pothole patching works, roadside slashing, etc) has also been undertaken during the last 12 months.

Regards

Steve

Stuart,  
Sorry about the delay.

Road works:

As part of the Fixing Country Roads Grant Council has completed or nearing completion, major road works along several section of Tocal Road.

- Part 1: Asphalt resurface from Paterson to Moore Road
- Part 2: Reconstruction and widening from Moore Road to Hilldale Drive Bolwarra Heights.
- Part 3: Reconstruction and widening from Mindaribba House to Eelah Road

Previously Council has progressively rehabilitated sections either side of Part 3 works above and works just North of Flat Road (on Paterson Road).

Council has programmed realignment works for the Tocal/Maitland Vale Road Intersection and this is anticipated to be complete in the 2016/2017 financial year.

Works will be programmed along the regional road network in a progressive manner. It expected that Tocal Road will receive regular yearly allocations.

- Paterson Road, Tocal/Bolwarra – No immediate work planned
- Flat Road, Bolwarra - Asphalt resurface expected in 2018
- Glenarvon Road/Pitnacree Road - No immediate work planned
- Melbourne Street – State Road See RMS

For more information please give me a call.

Regards
