Parramatta NSW 2150

Dear Max,

**Modification 4 Five Ways - Extension to Construction Hours
SSD-66826207-Mod-4**

We write in relation to the above modification application which is currently under assessment by the Department of Planning, Housing and Infrastructure. We request that two additional amendments be incorporated into this modification application. Both amendments relate to incorrect report dates referenced in the development consent. These are identified below.

- Condition part (c) of Condition B2 (Materials and Finishes) references the Solar Light Reflectivity Study prepared by Windtech Consultants dated 25 March 2023. The date is incorrect and should be 25 March 2024.
- Condition B4 (Ecologically Sustainable Development) references the Fiveways Crows Nest ESD Report prepared by E-Lab Consulting dated 24 June 2025. The date is incorrect and should be 30 June 2025.

It is requested that Modification 4, which is currently under assessment consider these amendments.

The development to which the proposed modification relates is substantially the same as that originally granted. The proposed development as modified satisfies the relevant objectives and provisions of the applicable planning controls for the site and the modification can be supported.

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Poonam Chauhan
Senior Development Manager
