SYDNEY NSW 2000

Dear Sir/Madam,

RE: Bango Wind Farm Request for SEARs

In regard to recent discussions with representatives from the NSW Department of Planning and Environment (DPE), I wish to request Environmental Assessment Requirements from the Secretary of the DPE (SEARs) for the Bango Wind Farm project.

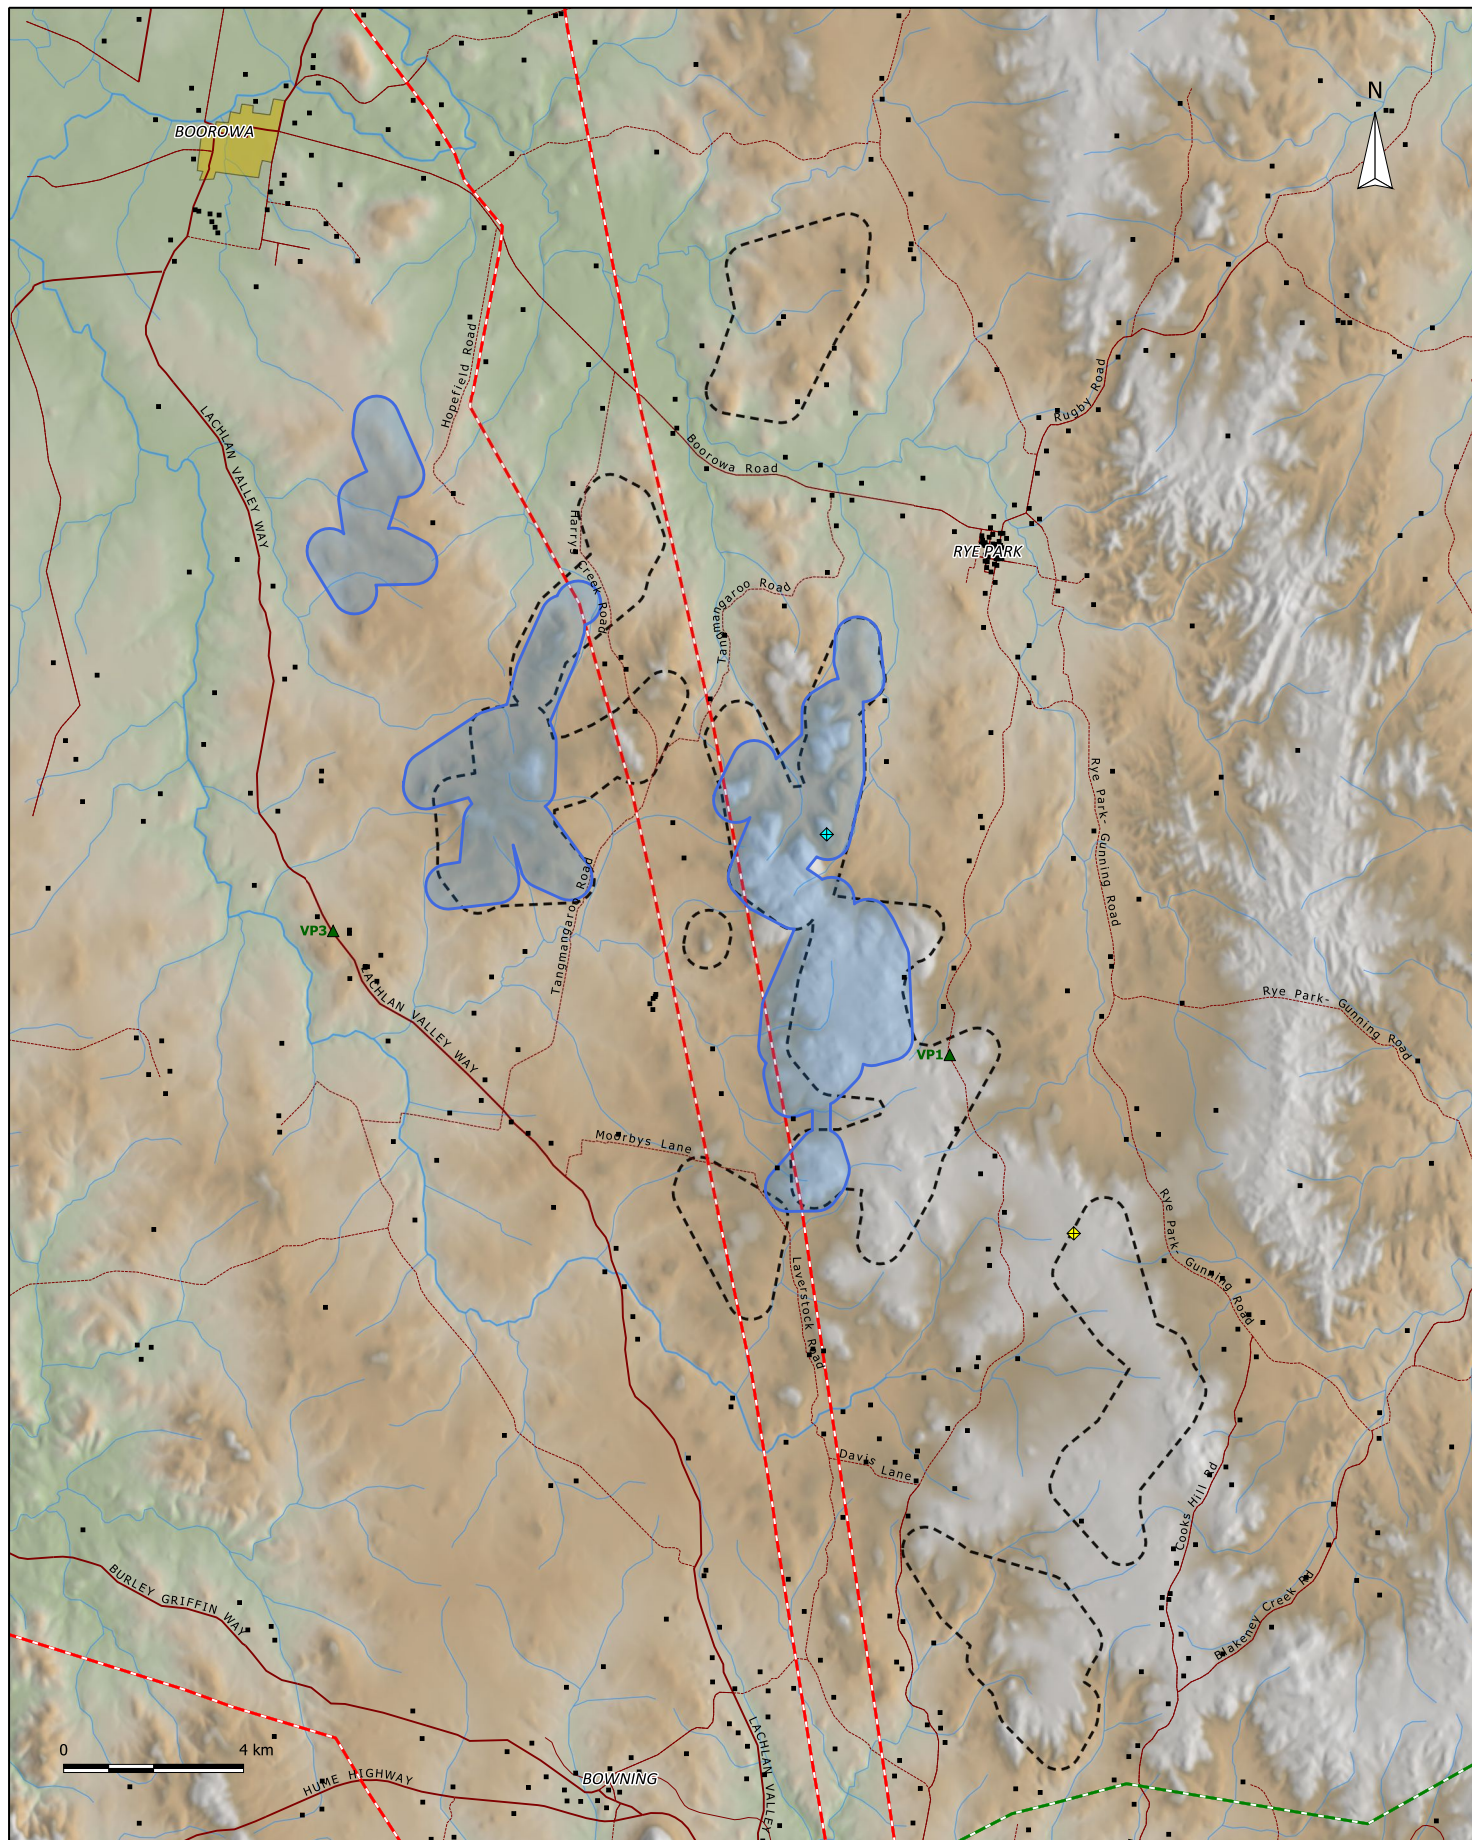

I have attached the original Preliminary Environmental Assessment and a map depicting revisions to the project area since the project was announced in 2011. Given the changes made the project layout, the project is now located within two local government planning areas, Boorowa Council and Yass Valley Council only.

I look forward to hearing from you,

Regards,

Siobhan Isherwood
