Dear Ms Cross

**Bango Wind Farm (SSD 6686)
Biodiversity Offset Credit Liability**

I refer to your request dated 3 September 2020 seeking the Planning Secretary's approval of the biodiversity offset credit liabilities under condition 18(b) of Schedule 3 of the development consent for the Bango Wind Farm (SSD 6686).

The Department, including the Biodiversity Conservation Division (BCD), have carefully reviewed the offset credit liabilities. The Department is satisfied they have been calculated in accordance with the conditions of consent.

Accordingly, the Secretary has approved the *Bango Wind Farm Biodiversity Credit Report* (dated 25 May 2020). Please ensure that the approved report is placed on the project website at the earliest convenience.

The Department notes that the biodiversity offset credits are required to be retired in accordance with condition 19 of Schedule 3 the consent.

If you wish to discuss the matter further, please contact Lander Robinson on 02 9274 6052 or Lander.Robinson@planning.nsw.gov.au.

Yours sincerely

Nicole Brewer
Director
Energy Assessments

As nominee of the Planning Secretary
