Dear Ms Cross

**Bango Wind Farm (SSD 6686)
Bird and Bat Adaptive Management Plan**

I refer to the updated Bird and Bat Adaptive Management Plan, which was submitted in accordance with condition 21 of Schedule 3 of the consent for the Bango Wind Farm (SSD 6686).

Further to the conditional approval provided on 20 November 2020 (version 1.17, October 2020), the Department has carefully reviewed the updated document and is satisfied, in consultation with Biodiversity Conservation and Science Directorate, that the plan generally meets the requirements of the development consent.

Accordingly, the Secretary has approved the amended *Bango Wind Farm, Bird and Bat Adaptive Management Plan* (version 1.24, dated 1 April 2021). Please ensure that the updated approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Lander Robinson on 02 9274 6042 or at lander.robinson@planning.nsw.gov.au.

Yours sincerely
