Dear Ms Gordijn

**Bango Wind Farm (SSD-6686-PA-35)
Bird and Bat Adaptive Management Plan**

I refer to the updated Bird and Bat Adaptive Management Plan, which was submitted in accordance with Condition 21 of Schedule 3 of the Development Consent for the Bango Wind Farm (SSD-6686).

Further to the approval provided on 14 April 2021 (version 1.24, dated 1 April 2021), the plan has been updated to reflect specific additional inspections. The Department has carefully reviewed the document and is satisfied, in consultation with the Biodiversity, Conservation and Science Directorate, that the plan meets the requirements of the Development Consent.

Accordingly, the Secretary has approved the *Bango Wind Farm, Bird and Bat Adaptive Management Plan* (version 1.25, dated 29 December 2021). Please ensure that the updated plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Javier Canon on 02 9373 2821 or at javier.canon@planning.nsw.gov.au.

Yours sincerely
