Subject: Traffic Management Plan for Bango Wind Farm (Condition 28 of SSD-6686)

Dear Ms Gordijn,

I refer to the revised Traffic Management Plan which was submitted in accordance with Condition 28 of Schedule 3 of the Development Consent for the Bango Wind Farm (SSD-6686).

The Department acknowledges the change in date for schedule of completion from March to November of 2022.

The Department notes that the Traffic Management Plan has been revised to include transport of an additional replacement blade from Port Kembla to the Project site via the previously approved route.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

Accordingly, the Planning Secretary has approved the Traffic Management Plan (dated 29 July 2022)

If you wish to discuss the matter further, please contact Andy Nixey on 02 9274 6379.

Yours sincerely
