To whom it may concern,

Re: Appointment of heritage consultant for Heritage Management Plan (SSD6687)

Uungula Wind Farm Pty Ltd, is seeking the Secretary's endorsement of Julie Dibden of NSW Archaeology to prepare the Heritage Management Plan per the requirements of condition B26 of State Significant Development Consent (SSD 6687) for the Uungula Wind Farm.

Attached is a copy of Julies CV to demonstrate her qualifications and experience.

Please do not hesitate to contact me on 0477 056 801 if you require any further information.

Yours sincerely,

A handwritten signature in black ink, appearing to read "L Cross", written in a cursive style.

Leanne Cross
Environment Manager
CWP Renewables

Expertise includes:

- Cultural heritage management planning.
- Community consultation and liaison.
- Archaeological surveys, excavations and heritage assessment.
- Induction programmes and public education in Aboriginal heritage and archaeology.
- Professional advice for inquiries and legal proceedings.

Dr Julie Dibden has 25 years experience in consulting archaeology. She has an honours degree in archaeology and is a PhD of the Australian National University. Julie is a member of the Australian Archaeological Association, the ANU's Centre for Archaeological Research, Australian Rock Art Research Association and the Australian Association of Consulting Archaeologists. Julie is the principal consultant and Director of New South Wales Archaeology Pty Ltd.

NSW Archaeology Pty Ltd has been operating as a registered company since 2003 and specialises in Aboriginal archaeology and heritage management. Our client base is diverse, however, our primary clients include Public Works Advisory, CWP Renewables, Epuron Pty Ltd, Goldwind, Infigen Energy, AGL, NSW NPWS (OEH), Snowy Hydro Limited, Groundwork Plus, RMS (RTA) and Transgrid. We conduct approximately 30 heritage projects per year, many of which are State Significant Developments.
