Healthscope Audit						
General Waste %	14%	3281		2910		3810
Notes: 1. Healthscope is ~45-50% of total clinical waste volumes 2. Healthscope waste segregation audits conducted each year. 3. Healthscope hospitals are aware of the audit dates and improve behaviours. 4. Results in WorkSheet 'Healthscope Audit Data' show General Waste ~14% 5. Results reflect a large general waste component >40t per annum. 6. Results would reduce overall clinical waste processed & overall bin numbers. 7. Results not included in Waste Stream Audit numbers to left.
