Subject: Extension of time to secure biodiversity offsets - Wilpinjong Coal Extension SSD 6764

Dear Mr Flood

I refer to your request for an extension of time to secure biodiversity offsets, in accordance with condition 34 of Schedule 3 of the above development consent.

I understand substantial progress has been made to transfer Biodiversity Offset Areas 1-5 to the National Parks and Wildlife Service (NPWS). However, further time is required to finalise on-ground works, subdivisions and registration with NSW Land Resgistry Services.

The Department requested Wilpinjong Coal Pty Ltd consult with NPWS to determine a suitable date to finalise the transfer. I note that NPSW has identified 30 June 2023 as an appropriate date that would allow for the completion of the remaining steps.

On this basis, the Secretary has granted an extension of time to secure the offset areas until 30 June 2023.

If you wish to discuss the matter further, please contact Gen Lucas on (02) 9274 6489 or gen.lucas@planning.nsw.gov.au.

Yours sincerely

Stephen O'Donoghue
Director
Resource Assessments
As nominee of the Secretary
