Revised Aboriginal Cultural Heritage Management Plan, Conditions A29, A30 & B38

Dear Ms Haran

I refer to the revised Aboriginal Cultural Heritage Management Plan (ACHMP) submitted to the Planning Secretary for approval in accordance with condition A30 of SSD-68292713 (as modified). I also acknowledge and thank you for your response to the Department's review comments, and request for further information.

I note the revised ACHMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- was consulted with Registered Aboriginal Parties and reviewed by Heritage NSW; and
- accounts for the modification to the development consent and provides a detailed analysis of the preliminary results relating to the program of archaeological test excavations.

Accordingly, as nominee of the Planning Secretary, I approve the revised ACHMP, Revision 9 dated 13 January 2026, prepared by Curio Projects Pty Ltd, under condition A30 of SSD-68292713.

You are reminded that if there are any inconsistencies between the approved revised ACHMP and the conditions of consent, the conditions will prevail.

Please ensure that the approved revised ACHMP is placed on the project website for public access as per condition A22 of the consent.

If you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
