Dear Mr Vivant

This is to advise that Council supports the submission of the Lucas Heights Resource Recovery Park – State Significant Development Support document (Preliminary Environmental Assessment) to the Department of Planning & Environment.

Council also supports the submission of the draft Voluntary Planning Agreement (including the Environmental Management Plans attached as appendices) for public exhibition and current with the preliminary environmental assessment.

I understand you will be lodging these documents with the Department in the near future.

Yours sincerely

J W Rayner  
General Manager
