Subject: Biodiversity Offset Strategy for GO Facility

Dear Mr Chiang

I refer to Cleanaway Waste Management Limited's recent correspondence regarding the Lucas Heights Resource Recovery Facility (SSD-6835). I understand you are seeking the Planning Secretary's acceptance of the facility's Biodiversity Offset Strategy, pursuant to conditions C46 and C47 of Schedule C of the project approval.

The Department of Planning and Environment (the Department) has reviewed the Biodiversity Offset Strategy for GO Facility and is satisfied it adequately addresses the requirements of the relevant conditions of consent.

Accordingly, I approve the Biodiversity Offset Strategy for GO Facility prepared by Cleanaway Pty Ltd and dated 2 November 2022.

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Michael Tran on (02) 9895 6413 or via email at michael.tran@dpie.nsw.gov.au

Yours sincerely
