Dear Sir / Madam

Re: Exhibition of State Significant Development Application -  
Stage 3 B of Lismore Base Hospital Redevelopment  
and New Hospital Car Park  
SSD 6848

I am the owner and occupier of 7 Little Uvalde St,  
Lismore, which immediately adjoins the northern boundary  
of the proposed delivery vehicle turning bay. Diagrams  
of the retaining wall indicate it would be 1.2 metres above  
the level of the turning bay surface. Discussion reveals this  
may be 1.5 metres.

I request that the wall be heightened to 1.8 metres to  
help reduce vehicle noise and fumes, and to provide  
more adequate privacy screening.

Thank you for considering my request

Yours sincerely
