Stage 2/3–Project Presentation and Gathering Information about Cultural Significance of the Proposed Project

Stage 2/3–RAP Review of ARD/Methodology and gathering information

Registered Aboriginal Party	Date Sent	Response/Comment
Guntawang Aboriginal Resources Incorporated	8 August 2024	8 August 2024 – agreed with proposed ARD but questioned the need for test excavations given the observed levels of historical disturbance. Followed up with phone call to clarify their position. Guntawang had been unable to fully review the ARD before providing a response and were unaware that the geotechnical investigations had confirmed the presence of natural soils beneath built surfaces. Upon hearing this, they confirmed their support for the test excavations. 13 August 2024 – provided email outlining above.
Long Gully Cultural Services	8 August 2024	8 August 2024 – provided detailed comments regarding social/cultural significance of area. Agreed with proposed ARD.
Pearl Depoma	8 August 2024	
B.H. Heritage Consultants	8 August 2024	
Kamilaroi Yankuntjatjara Working Group	8 August 2024	26 August 2024 – provided detailed comments regarding social/cultural significance of area. Agreed with proposed ARD.
Didge Ngunawal Clan	8 August 2024	
Wallanbah Aboriginal Site Conveyancing	8 August 2024	
A1 Indigenous Services	8 August 2024	22 August 2024 – Agreed with proposed ARD. Highlighted the lack of test excavations completed in the Penrith area.
Murra Bidgee Mullangari Aboriginal Corporation	8 August 2024	
Butucarbin Aboriginal Corporation	8 August 2024	
Waawaar Awaa Aboriginal Corporation	8 August 2024	
Wori Woilywa	8 August 2024	

Registered Aboriginal Party	Date Sent	Response/Comment
Goobah Development Pty Ltd (Murrin Clan/Peoples)	8 August 2024	
Ngambaa Cultural Connections	8 August 2024	
Deerubbin Local Aboriginal Land Council	8 August 2024	
Darug Custodian Aboriginal Corporation	8 August 2024	
Anonymous RAP #1	8 August 2024	
	8 August 2024	8 August 2024 – agreed with proposed ARD and expressed the opinion that there is high potential for artefacts.
Anonymous RAP #2		Noted that machine excavator would require ACH training to ensure artefacts are not inadvertently destroyed.

ARD review period ends: 5 September 2024. (Minimum 28 days must be provided to review the ARD.)

Stage 3—Review of draft Aboriginal Cultural Heritage Assessment Report

Stage 3, Step 1—RAP Review of draft ACHAR

Registered Aboriginal Party	Date Sent/Date Reply	Response/Comment
Guntawang Aboriginal Resources Incorporated	19 September 2024	19 September 2024 – support and agreed with ACHAR. Expressed interest in involvement in Archaeological Excavation.
	19 September 2024	19 September 2024 – agreed with the ACHAR, but also indicated they felt development had removed or destroyed potential artefacts.
Long Gully Cultural Services		27 September 2024 – followed up with phone call, confirmed they had been unable to fully review the ACHAR before providing a response. Agreed with the assessment of subsurface archaeological potential and recommendation for archaeological investigation.
Pearl Depoma	19 September 2024	
B.H. Heritage Consultants	19 September 2024	
Kamilaroi Yankuntjatjara Working Group	19 September 2024

Subject: Re: Aboriginal Registration for Community Consultation—SummitCare Penrith Redevelopment.

To whom it may concern,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010* GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

Would you please provide in writing (a letter or email) a list of any relevant Aboriginal people/groups who should be consulted with respect to this project. Your earliest attention to this matter would be appreciated.

The list of Aboriginal people/groups should be sent to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket NSW 2000

Alternatively, the list can be emailed to ach@gml.com.au

If you have any questions about this project, please call me on 9319 4811.

Yours sincerely,
GML Heritage Pty Ltd

Jacob Kiefel
Heritage Consultant

Subject: Re: Aboriginal Registration for Community Consultation—SummitCare Penrith Redevelopment.

To whom it may concern,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010* GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

Would you please provide in writing (a letter or email) a list of any relevant Aboriginal people/groups who should be consulted with respect to this project. Your earliest attention to this matter would be appreciated.

The list of Aboriginal people/groups should be sent to:

Jacob Kiefel

Dear Jacob

Aboriginal Cultural Heritage Assessment – Proposed development for SummitCare Penrith 366 at Jamison Road (Lot 10 DP 804382) Jamisontown NSW: request for list of potential Aboriginal stakeholders

We refer to your email to this Office, dated 11 April 2024, requesting contact information for Aboriginal organisations, stakeholders and/or people who may have cultural knowledge relevant to the development for SummitCare Penrith at 366 Jamison Road (Lot 10 DP 804382) Jamisontown NSW, as part of an Aboriginal Cultural Heritage Assessment (ACHA).

Under Section 170 of the *Aboriginal Land Rights Act 1983 (NSW)*, the Office of the Registrar is required to maintain the Register of Aboriginal Owners (RAO) for New South Wales. A search of the RAO has shown that there are currently no Registered Aboriginal Owners in the project area.

The proposed development area falls within the boundaries of Deerubbin Local Aboriginal Land Council. We suggest you contact Deerubbin Local Aboriginal Land Council (contact details provided below), as they may wish to participate or contribute.

Yours sincerely

Karen Carter
Project Officer
Office of the Registrar, Aboriginal Land Rights Act 1983

OFFICIAL

Your ref: 24-0100 **Our ref:** SR24/651

Dear Jacob Kiefel

Thank you for your search request, please find your results below.

Search Results

The results provided are based on the information you supplied and are derived from a search of the following Tribunal databases:

- Schedule of Native Title Determination Applications
- Register of Native Title Claims
- Native Title Determinations
- Indigenous Land Use Agreements (Registered and notified)

Results for overlapping native title matters in NSW:

Feature ID	Tenure	Cadastre Data As At	Feature Area SqKm	Overlapping	
10//DP804382	FREEHOLD	8/03/2024	0.0111	NNTT File Number	Name
				No overlap	

For more information about the Tribunal's registers or to search the registers yourself and obtain copies of relevant register extracts, please visit our [website](#).

Information on native title claims and freehold land can also be found on the Tribunal's website here: [Native title claims and freehold land](#).

Please note: There may be a delay between a native title determination application being lodged in the Federal Court and its transfer to the Tribunal. As a result, some native title determination applications recently filed with the Federal Court may not appear on the Tribunal's databases.

The search results are based on analysis against external boundaries of applications only. Native title applications commonly contain exclusions clauses which remove areas from within the external boundary. To determine whether the areas described are in fact subject to claim, you need to refer to the "Area covered by claim" section of the relevant Register Extract or Schedule Extract and any maps attached.

Search results and the existence of native title

Please note that the enclosed information from the Register of Native Title Claims and/or the Schedule of Applications is **not** confirmation of the existence of native title in this area. This cannot be confirmed until the

Federal Court makes a determination that native title does or does not exist in relation to the area. Such determinations are registered on the National Native Title Register.

The Tribunal accepts no liability for reliance placed on enclosed information

The enclosed information has been provided in good faith. Use of this information is at your sole risk. The National Native Title Tribunal makes no representation, either express or implied, as to the accuracy or suitability of the information enclosed for any particular purpose and accepts no liability for use of the information or reliance placed on it.

If you have any further queries, please do not hesitate to contact us via GeospatialSearch@NNTT.gov.au

Regards,

Hi Jacob,

Hope you're well.

Council does not keep a list of Registered Aboriginal Parties but we are able to circulate these requests through the first nations interagency.

The interagency is comprised of Aboriginal Community Controlled Organisations and First Nations people working in the community sector. Unfortunately, the interagency is not comprised of the lands council or traditional owner groups.

If it would be helpful I'm happy to book in a meeting to discuss the stakeholders I'm aware of personally but I'm afraid council does not curate a comprehensive list at this time of first nations stakeholders.

Warmest regards,

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant
GML Heritage

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant
GML Heritage

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant
GML Heritage

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant
GML Heritage

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant

Subject: Re: Aboriginal Registration for Community Consultation - SummitCare Penrith Redevelopment

Dear sir or madam,

On behalf of Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent), GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to conducting an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith at 366 Jamison Road, Jamisontown, a State Significant Development (SSD), to comply with the Secretary's Environmental Assessment Requirements (SEARs).

The land subject to SSD approval is located in Jamisontown, within the City of Penrith LGA. The study area is marked on the map below and covers Lot 10/DP804382.

The proposed development involves the construction of three Independent Living Apartment Buildings, a Residential Aged Care building and an integrated administrative and communal facility.

The purpose of community consultation with Aboriginal people is to assist Centurion Project Management in the preparation of an ACHAR and to meet the requirements of the project SEARs.

In accordance with the DECCW's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

GML invite local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the study area to register an interest in community consultation regarding the proposed activity. If you wish to register, please provide in writing (a letter or email) a brief statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance associated with the subject land.

All registrations should be received by GML at ach@gml.com.au no later than 14 May 2024.

Alternatively, registrations can be posted to:

Jacob Kiefel
GML Heritage
Level 17, 323 Castlereagh Street
Haymarket, NSW, 2000

Please be advised that the details of all parties who register an interest will be forwarded to Heritage NSW and the Local Aboriginal Land Council unless it is specified that these details should not be released.

If you have any questions about this project please call me on 9319 4811.

Kind Regards,

Jacob Kiefel
Heritage Consultant

Dear Sir or Madam,

In accordance with Section 4.1.6 of the *Aboriginal cultural heritage consultation requirements for proponents 2010*, I write to inform you of those Aboriginal people and organisations that have registered an interest in being consulted regarding the SummitCare Penrith project. The registered parties are listed in the table below.

Invitations to register an interest by Aboriginal people with cultural knowledge relevant to the project area were sent on 30 April 2024 and a notification was placed in the Daily Telegraph on 30 April 2024. Registration closed on the 14 May 2024.

Copies of the invitation to register and newspaper notice are attached.

Please don't hesitate to contact me if you require any further information.

Yours sincerely,
GML Heritage Pty Ltd

Subject: Re: SummitCare Penrith—Archaeological Research Design
Attachments: SummitCare Penrith ARD.pdf

Dear Darleen and Ryan Johnson,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents* 2010. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Figure 1 The study area in its landscape context. (Source: Google Earth with GML overlay)

Methods for Aboriginal Heritage Assessment

We have prepared an indicative assessment of landforms as present in 1788 and which could remain today. The study area has been subject to historical land uses that have resulted in minor disturbances to natural soils and sediments. Geotechnical investigations have identified up to 7.5m of natural alluvial sediments beneath historical fills and built structures. These sediments could hold Aboriginal archaeological potential.

The objective for the project will be the mitigation of any Aboriginal archaeology, which could be present, through the development of a robust archaeological excavation methodology. The quantum, pattern and density of these is yet to be defined but an indicative sampling methodology has been developed in response to potential impacts to deposits with Aboriginal archaeological potential. The ARD outlines the proposed methodology for undertaking these tasks and is provided for your review and comment.

Given Aboriginal peoples continuing connection with the study area and surrounds, we want to ensure the project includes the voice and guidance of local Aboriginal people. We ask you to consider and provide any information or advice related to your communities' connections with the study area.

Review and Feedback

We would like to receive your comments on the project, its intended investigation methodology, and/or relating to how the project area is important to the local Aboriginal community, you family or general communal cultural significance. We may use and include the information provided during the preparation of the ACHAR. Please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML, reference SummitCare Penrith project, by **Thursday 5 September 2024**, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission these can be sent to:

Jacob Kiefel

Dear Daniel Chalker,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents* 2010. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Attachments: SummitCare Penrith ARD.pdf

Dear Ethan Trewlynn,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents* 2010. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Figure 1 The study area in its landscape context. (Source: Google Earth with GML overlay)

Methods for Aboriginal Heritage Assessment

We have prepared an indicative assessment of landforms as present in 1788 and which could remain today. The study area has been subject to historical land uses that have resulted in minor disturbances to natural soils and sediments. Geotechnical investigations have identified up to 7.5m of natural alluvial sediments beneath historical fills and built structures. These sediments could hold Aboriginal archaeological potential.

The objective for the project will be the mitigation of any Aboriginal archaeology, which could be present, through the development of a robust archaeological excavation methodology. The quantum, pattern and density of these is yet to be defined but an indicative sampling methodology has been developed in response to potential impacts to deposits with Aboriginal archaeological potential. The ARD outlines the proposed methodology for undertaking these tasks and is provided for your review and comment.

Given Aboriginal peoples continuing connection with the study area and surrounds, we want to ensure the project includes the voice and guidance of local Aboriginal people. We ask you to consider and provide any information or advice related to your communities' connections with the study area.

Review and Feedback

We would like to receive your comments on the project, its intended investigation methodology, and/or relating to how the project area is important to the local Aboriginal community, you family or general communal cultural significance. We may use and include the information provided during the preparation of the ACHAR. Please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML, reference SummitCare Penrith project, by **Thursday 5 September 2024**, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission these can be sent to:

Jacob Kiefel
GML Heritage

Level 17, 323 Castlereagh Street

Figure 1 The study area in its landscape context. (Source: Google Earth with GML overlay)

Methods for Aboriginal Heritage Assessment

We have prepared an indicative assessment of landforms as present in 1788 and which could remain today. The study area has been subject to historical land uses that have resulted in minor disturbances to natural soils and sediments. Geotechnical investigations have identified up to 7.5m of natural alluvial sediments beneath historical fills and built structures. These sediments could hold Aboriginal archaeological potential.

The objective for the project will be the mitigation of any Aboriginal archaeology, which could be present, through the development of a robust archaeological excavation methodology. The quantum, pattern and density of these is yet to be defined but an indicative sampling methodology has been developed in response to potential impacts to deposits with Aboriginal archaeological potential. The ARD outlines the proposed methodology for undertaking these tasks and is provided for your review and comment.

Given Aboriginal peoples continuing connection with the study area and surrounds, we want to ensure the project includes the voice and guidance of local Aboriginal people. We ask you to consider and provide any information or advice related to your communities' connections with the study area.

Review and Feedback

We would like to receive your comments on the project, its intended investigation methodology, and/or relating to how the project area is important to the local Aboriginal community, you family or general communal cultural significance. We may use and include the information provided during the preparation of the ACHAR. Please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML, reference SummitCare Penrith project, by **Thursday 5 September 2024**, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission these can be sent to:

Jacob Kiefel
GML Heritage

Dear Jennifer Beale,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents* 2010. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Hi Jacob

After review of the ACHAR we have no objections and as indicated high potential of artefacts may be present, this being noted does the machine operator/s excavating have any Aboriginal Cultural training I have seen numerous sights where artefacts destroyed by machine excavation works. Our organisation is involved with excavation works at times on Aboriginal/Archaeological test/Savage sites using our excavators where our raps are liscenced machine operators and Cultural aware.

Kind Regards

Good afternoon,

I have read through this report for the SummitCare Penrith, my comments are we agree with the ARD of this report, and we are willing to participate in the ACHA process.

Guntawang has an experienced sites officer who has years of skills in the identification of Aboriginal artefacts, he understands the lay of the land. He is honest and diligent when it comes to construction as to whether an excavation is warranted. My opinion is this land has been disturbed in the past with little reason for subsurface excavation. I am happy to chat with you my details are below.

We look to working with you.

Our rates are \$110.00 per hour attached is the insurances for Guntawang.

Kind regards

Wendy Morgan

Good afternoon Jacob,

This area is important to me as I was born and raised in the Penrith area this place has strong connections to the Dharug people as the area had multiple uses (camping, hunting, and the use of stone tools) this area being located close to the nepean river holds value to the people of the land and that river was used for fishing and travelling towards Picton.

I also agree with the methodology for this project.

Kind regards,
Ethan

Dear Wendy Morgan,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is

important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents* 2010. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Figure 1 The study area in its landscape context. (Source: Google Earth with GML overlay)

Methods for Aboriginal Heritage Assessment

We have prepared an indicative assessment of landforms as present in 1788 and which could remain today. The study area has been subject to historical land uses that have resulted in minor disturbances to natural soils and sediments. Geotechnical investigations have identified up to 7.5m of natural alluvial sediments beneath historical fills and built structures. These sediments could hold Aboriginal archaeological potential.

The objective for the project will be the mitigation of any Aboriginal archaeology, which could be present, through the development of a robust archaeological excavation methodology. The quantum, pattern and density of these is yet to be defined but an indicative sampling methodology has been developed in response to potential impacts to deposits with Aboriginal archaeological potential. The ARD outlines the proposed methodology for undertaking these tasks and is provided for your review and comment.

Given Aboriginal peoples continuing connection with the study area and surrounds, we want to ensure

the project includes the voice and guidance of local Aboriginal people. We ask you to consider and provide any information or advice related to your communities' connections with the study area.

Review and Feedback

We would like to receive your comments on the project, its intended investigation methodology, and/or relating to how the project area is important to the local Aboriginal community, you family or general communal cultural significance. We may use and include the information provided during the preparation of the ACHAR. Please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML, reference SummitCare Penrith project, by **Thursday 5 September 2024**, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission these can be sent to:

Hi,
I have reviewed the document and support the Information and Methodology.
It is important to make sure testing is complete in this area, penrith was a very resourceful area for the Indigenous population continuing through to emu plains, there has been only a very small amount of testing completed in the penrith area, this should be a very interesting project.
I Would like to be included in all Meetings, Reports, Sharing Cultural Information, and Field Work.

Please consider that **A1 INDIGENOUS SERVICES** is a member of the **NSW INDIGENOUS CHAMBER OF COMMERCE**.

We carry the NSWICC Assured logo showing that **A1 Indigenous Services** has met National Policy requirements as upheld by the First Australians Chamber of Commerce and Industry (FACCI) for being identified as a **100% First Nations Owned Indigenous Business** That has demonstrate compliance with Government and Industry Regulators.

I agree to my details being supplied to OEH and the LALC
Please feel free to contact me on details supplied

Kind Regards,
Carolyn Hickey

A1 INDIGENOUS SERVICES is now a member of the NSW INDIGENOUS CHAMBER OF COMMERCE

A business or enterprise carrying the NSWICC Assured logo has met National Policy requirements as upheld by the First Australians Chamber of Commerce and Industry (FACCI) for being identified as a First Nations Business Owner or Entrepreneur and the business must demonstrate compliance with Government and Industry Regulators.

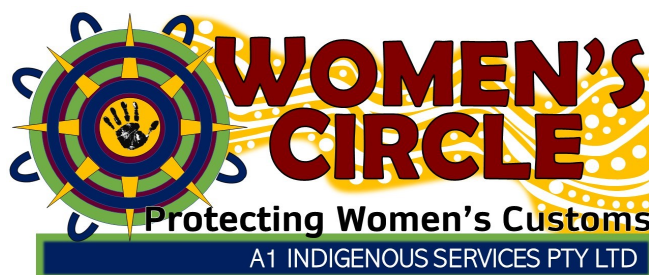

(Certificate attached) A certificate confirms that the Enterprise listed above has met all requirements of the NSWICC's Assured Program, operating as a 100% Aboriginal Owned, Operated and Controlled Business. The NSW Indigenous Chamber of Commerce (NSWICC) is the Peak body for Aboriginal Business in New South Wales and a member of the First Australians Chamber of Commerce and Industry (FACCI)

A1 Indigenous Services is 100%, Indigenous Owned Australian Company
which offers a range of services to the construction industry.

It is our mission to commit to an innovative approach to a better future for Indigenous employment and community.

While improving ways to close the gap in Aboriginal participation in the construction Industry.

Building strength in aboriginal communities and our Indigenous labour force.

Subject: Re: SummitCare Penrith—Archaeological Research Design

Dear Carolyn Hickey,

GML Heritage has been engaged by Centurion Project Management (Nick Winberg, nick.winberg@centuriongroup.com.au, the Proponent) to prepare an Aboriginal Cultural Heritage Assessment Report (ACHAR) for SummitCare Penrith. The ACHAR will support a State Significant Development Application (SSDA), under the *Environmental Planning and Assessment Act 1977* (EPA Act).

Aboriginal people have a continuing connection with the study area and surrounds. This project will continue to be guided by the views, opinions and cultural knowledge of the Aboriginal contributors. As a Registered Aboriginal Party (RAP) we seek your input and information on how or why this place is important to you and/or your family and community today.

Please see attached the Archaeological Research Design (ARD) proposed for the project. This letter, with ARD attached, has been provided to all RAPs for their review and comment in accordance with Heritage NSW's *Aboriginal cultural heritage consultation requirements for proponents 2010*. It provides an overview of the project (Consultation Stage 2) and outlines the proposed methodology for the cultural heritage assessment (Stage 3).

About the project

The proponent seeks to redevelop SummitCare Penrith, 366 Jamison Road, Jamisontown. The location of the project is shown in Figure 1. This will involve the demolition of all existing buildings within the study area and the construction of:

- four multistorey apartment buildings (Buildings A, B, C and D) for residential aged care;
- a central administration building; and
- a one-level basement carpark beneath Buildings A, B, C and the central administration building.

Figure 1 The study area in its landscape context. (Source: Google Earth with GML overlay)

Methods for Aboriginal Heritage Assessment

We have prepared an indicative assessment of landforms as present in 1788 and which could remain today. The study area has been subject to historical land uses that have resulted in minor disturbances to natural soils and sediments. Geotechnical investigations have identified up to 7.5m of natural alluvial sediments beneath historical fills and built structures. These sediments could hold Aboriginal archaeological potential.

The objective for the project will be the mitigation of any Aboriginal archaeology, which could be present, through the development of a robust archaeological excavation methodology. The quantum, pattern and density of these is yet to be defined but an indicative sampling methodology has been developed in response to potential impacts to deposits with Aboriginal archaeological potential. The ARD outlines the proposed methodology for undertaking these tasks and is provided for your review and comment.

Given Aboriginal peoples continuing connection with the study area and surrounds, we want to ensure the project includes the voice and guidance of local Aboriginal people. We ask you to consider and provide any information or advice related to your communities' connections with the study area.

Review and Feedback

We would like to receive your comments on the project, its intended investigation methodology, and/or relating to how the project area is important to the local Aboriginal community, you family or general communal cultural significance. We may use and include the information provided during the preparation of the ACHAR. Please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML, reference SummitCare Penrith project, by **Thursday 5 September 2024**, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission these can be sent to:

Jacob Kiefel
GML Heritage

Level 17, 323 Castlereagh Street
Haymarket NSW 2000

We look forward to your response and will provide further project information as it becomes available.

Subject: RE: SummitCare Penrith—Archaeological Research Design

Hi Jacob,

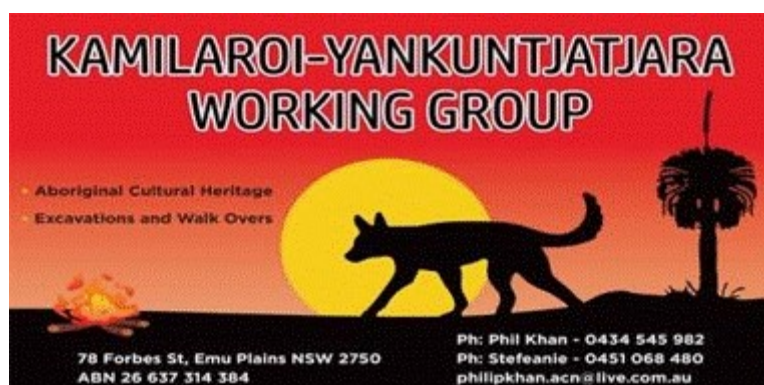

Thank you for your ARD for **SummitCare**. Here KYWG we hold over 50 years of cultural knowledge of the area. We hold a deep connection to Mother Earth, the sky, and our water ways. Aboriginal people have a spiritual connection to the land, it holds stories, history. It is for this reason we must not destroy the land or pollute it as it will become sick and so will we. Mother Earth gives to us and in return we care for her. KYWG we aim to protect and conserve our sacred sites especially our burial sites and the tangible and intangible and the flora and fauna. The study area is highly significant to us Aboriginal people. The intangible aspects like being connected to land is of importance as we hold a spiritual connection to the land. The site is close to water ways that are utilised by Aboriginal people.

The flora and fauna would have been thriving and Aboriginal people utilised their environment to its full potential. Aboriginal people carried out their daily activities in this area, hence why it's so important to us. Aboriginal people have walked this land for tens of thousands of years and continue to do so today. They strategically look after the land, plant flora in a way that coexisted with the environment around them.

The study area is also close to a waterways - Nepean River which would have been utilised by Aboriginal Peoples for food, medicine, and a fresh water source. The area is also significant due to how long Aboriginal peoples occupied the land; we are connected to it. We would like to recommend further investigation on this study area as in the past our cultural heritage has been lost and time and time again, we fight to protect it.

We would like to agree to your report, and we look forward to furthering consultation on this project.

Kind Regards
Phil Khan – Director

Dear Jennifer Beale,

Please find attached the draft Aboriginal Cultural Heritage Assessment Report (ACHAR) for the SummitCare Penrith project. This document is provided to you in accordance with Stage 4 of the Department of Environment, Climate Change and Water (DECCW)'s *'Aboriginal cultural heritage consultation requirements for proponents'* (Section 4, Consultation Stages).

GML seek your feedback in relation to this document and other matters pertaining to the project. We may use and include the information provided during preparation of the ACHAR – please specify any culturally sensitive information, or if you do not want us to include your responses.

Any response/feedback can be provided to GML by 17 October 2024, either by phone on (02) 9319 4811 or by email to ach@gml.com.au. Should you wish to provide a written postal submission, these can be sent to:

Hi Jacob,

Thank you for the DRAFT ACHA Report for the SummitCare Penrith Project.

Guntawang support the RAP comments as part of the consultation process. We also Strongly support and agree with the Proposed Project Activities.

We look forward to working with you on this project.

We would like to be involved in the excavation of this project.

Kind regards

Wendy Morgan

Good afternoon Jacob,

I agree that the place is heavily disturbed and all potential artefacts have been removed or destroyed in the past due to the Summit care being built.

Kind regards,

Ethan
