Subject: RE: 2024-151 - Major Projects - New Request for Advice - Jindera BESS (SSD-68815961) (Greater Hume Shire) [Official]

Dear James,

Transgrid Reference Number: 2024-151

Proposal: New Request for Advice - Jindera BESS (SSD-68815961)

Thank you for consulting with Transgrid regarding this proposal.

Please be advised that BESS Atlantic Pty Ltd. (Connection Applicant) have submitted a formal connection enquiry for their proposed Jindera BESS project, with a capacity of 250MW and a point of connection to Transgrid's Jindera 330kV Substation. Transgrid has completed its assessment and provided the Connection Applicant with a connection enquiry response, in accordance with Transgrid's obligations under the National Electricity Rules (NER).

The Connection Applicant will need to further engage Transgrid via a Connection Processes Agreement to facilitate an application to connect to Transgrid's network, in accordance with the NER. During the application stage, the assessment and approval of the proposed connection will include, but not limited to, performance standards and connection assets.

If you have any further questions, please do not hesitate to contact our team – Easements&Development@Transgrid.com.au

Thank you,

Skye Shanahan

Subject: Major Projects – New Request for Advice - Jindera BESS (SSD-68815961) (Greater Hume Shire)

The Department is requesting advice from Transgrid in relation to the proposed Jindera BESS. The due date for this request is 03/04/24.

Please see the attachments to this email for details on the proposed project and the draft SEARs. Please provide your advice by responding to this email.

Please feel free to reach out to me should you have any further questions about this request.

Kind Regards,
James Bellamy
