Dear Ms Matthews

**Oakdale South Industrial Estate Concept Plan and
Stage 1 modification (SSD 6917 MOD 6)
Comment on the Statement of Environmental Effects**

I refer to the email of 26 March 2018 to the Department of Industry in respect to the above matter. Comment has been sought from relevant branches of Lands & Water.

Any further referrals to Department of Industry can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

The department has reviewed the environmental assessment and has no objection to the proposal provided that conditions of consent are consistent with those previously issued for SSD 6917, notwithstanding the amendments to conditions E46 and E47. DOI Water was consulted on the proposed changes to the VMP and BOS, including changes to conditions E46 and E47. The proponent has included DOI Water's comments in the latest VMP and BOS and therefore the department considers all matters of regulatory interest have been adequately addressed.

Yours sincerely
