Dear David,

RE: One Sydney Harbour Barangaroo South Stage 1B Basement SSD6960 - Access Statement

This letter has been prepared by Morris Goding Accessibility Consulting (MGAC) for Lend Lease to support the S4.55 Modification application for One Sydney Harbour Barangaroo South Stage 1B Basement project.

MGAC has reviewed and assessed the drawings and relevant documentation prepared in respect of the S4.55 Modification submission.

The MGAC Report dated 20th August 2015 that supported the original Project Application concluded that the accessibility for One Sydney Harbour Barangaroo South Stage 1B Basement SSD6960 project will be able to achieve the accessibility design requirements as set out in the relevant Director General Requirements.

On this basis, MGAC is of the opinion that the proposed S4.55 Modification application does not require any additional supporting information, analysis or commentary at this stage of the design and compliance with DDA Premises Standards and Australian Standards can be achieved.

Yours faithfully,

Anthony Leuzzi
