Subject: Marulan South Limestone Mine - Heritage Management Plan

Dear Mr Longhurst

I refer to your submission dated 28/09/2022, requesting approval of the Heritage Management Plan (revision 2, 22/09/2022).

I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent SSD-7009, however I note the contruction of the water supply dam has been deferred until a later date and you have committed to updating this plan prior to its construction. Consequently, I approve the Heritage Management Plan.

You are reminded that if there are any inconsistencies between the Plan and the conditions of consent, the conditions prevail.

If you have any questions, please contact me on 9274 6283 or via email at [carl.dumpleton@planning.nsw.gov.au](mailto:carl.dumpleton@planning.nsw.gov.au)

Yours sincerely
