Subject: Marulan South Limestone Mine - Contamination Management Protocol

Dear Mr Longhurst,

I refer to your submission dated 9 August 2022, requesting approval of the Contamination Management Protocol.

I note the document forms appendix K of the Environmental Management Strategy (EMS). I note this protocol along with other elements of the EMS address the requirements of condition of consent B70.

Accordingly, I approve the Contamination Management Protocol. If you wish to discuss the matter further, please contact me via carl.dumpleton@planning.nsw.gov.au.

Yours sincerely
