Subject: Marulan South Limestone Mine – Rehabilitation Strategy

Dear Mr Longhurst

I refer to your submission dated 08/09/2022, requesting approval of the Rehabilitation Strategy (revision 3, 30 August 2022). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of the consent (SSD 7009).

I note Boral is required to submit a Rehabilitation Management Plan to the NSW Resource Regulator by 01/11/2022, therefore please provide the Rehabilitation Management Plan to the Department for consultation as required by condition of consent B82.

Further if the Rehabilitation Strategy requires updating due to review, comment, or approval of the Rehabilitation Management Plan, you must also update the Strategy in accordance with condition of consent A4.

Accordingly, as nominee of the Planning Secretary, I approve the Rehabilitation Strategy (revision 3, 30 August 2022). Please note if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

If you have any questions, please contact me on 9274 6283 or via email at carl.dumpleton@planning.nsw.gov.au.

Yours sincerely

Carl Dumpleton
Team Leader
Resource Assessments

As nominee of the Planning Secretary
