Subject: Marulan South Limestone Mine - Air Quality and Greenhouse Gas Management Plan

Dear Mr Longhurst

I refer to your letter requesting approval of the Air Quality and Greenhouse Gas Management Plan (revision 4, 12 August 2022).

I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of the consent (SSD 7009).

Under condition A4 of the consent, as part of this approval the Department is requiring Boral to update the management plan within 12 months from the date of this letter, to include timeframes for implementing the engine idling reduction program.

Once the plan is updated please submit it in the major projects portal for information.

If you have any questions, please contact Carl Dumpleton on 9274 6283 or via email at [carl.dumpleton@planning.nsw.gov.au](mailto:carl.dumpleton@planning.nsw.gov.au).

Yours sincerely
