I refer to your request for an extension of time to finalise the following management plans required by the consent:

- Noise Management Plan;
- Air Quality Management Plan;

- Traffic Management Plan.

I note the Air Quality and Traffic Management Plans have been submitted to the Department, while the Noise and Traffic Management Plans are being prepared in consultation with the relevant state agencies and will be submitted shortly.

Consequently, I approve the extension request to finalise the above management plans until 30 June 2022.
