Dear Ms Blomberg

**Borg Panels Timber Processing Facility Expansion (SSD 7016)

I refer to your recent correspondence regarding the Borg Panels Timber Processing Facility Expansion (SSD 7016). I understand you are seeking the Planning Secretary's approval of the updated Operational Noise Management Plan, pursuant to Condition B19 of Schedule 2 of the development consent.

The Department of Planning Industry and Environment (the Department) notes the original Operational Noise Management Plan was approved on 21 December 2017 and this update is submitted to incorporate SSD-7016-Mod-3. The Department has carefully reviewed the submitted documentation and is satisfied that it appropriately addresses the requirements of Condition B19.

Accordingly, I approve the following plan:

Please ensure that the approved plan is placed on the project website at the earliest convenience.

Yours sincerely
