About the exhibition

An exhibition process allows any individual or organisation to have their say about a proposed development.

The Department of Planning, Housing and Infrastructure (Department) has received a State significant development application for the abovementioned project. The application, environmental impact statement, and accompanying documents are on exhibition from Friday 23 May 2025 until Friday 18 July 2025. You can view these documents online at planningportal.nsw.gov.au/major-projects.

At the time of publishing this advertisement, the Minister for Planning and Public Spaces has not directed that a public hearing should be held.

Controlled Action under *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act)

Development in NSW can be subject to Commonwealth legislation, depending on the circumstances.

The Commonwealth Minister for the Environment and Water has decided that the proposed development – known as Hillview Hard Rock Quarry (2024/09920) for Commonwealth purposes – is a “controlled action” under the EPBC Act.

The EPBC Act Part 3, Division 1 controlled provisions are Sections 18 and 18A (listed threatened species and communities).

The proposed development 2024/09920 will be assessed under Part 4 of the *Environmental Planning and Assessment Act 1979*. The assessment will be in accordance with the Bilateral Agreement between NSW and the Commonwealth, made under the EPBC Act. The assessment will be done in the manner specified in Schedule 1 of the Bilateral Agreement. This means the project will be assessed against the requirements of both acts.

The public notice for the project may be found at epbcpbpublicportal.environment.gov.au/all-referrals.
