Department of Planning & Environment
Joel.Curran@planning.nsw.gov.au

Dear Joel,

In line with condition D8 of Project approval SSD_7065, Stolthaven has completed a review to strategies, plans and programs following the site's surrender of consent SSD_6664. Whilst this condition does not specifically require a review following a surrender of another consent, a review seems to be intent with the condition.

All Management plans were updated, removing the reference to the previous consent SSD_6664 and environmental performance updated where required. The revised plans have been reviewed via the Departments Industry assessment team which were approved on the 16th of July 2020. The revised plans have also been uploaded to the Stolthaven website and can be found on the link below.

<https://www.stolt-nielsen.com/en/our-businesses/stolthaven-terminals/terminal-network/stolthaven-newcastle/stolthaven-newcastle-operational-management-plans/>

If you have any further questions regarding this review, please contact me.

Kind Regards,

Ryan Duckmanton
