

DEPARTMENT of PLANNING, HOUSING & INFRASTRUCTURE

Lot 101/DP1306448 (North) Badgerys Creek Proposed Industrial Development

Estimated Development Cost Report prepared in accordance with the "Standard Form of Estimated Development Cost Report (State Significant Projects) - March 2025

20-Mar-25

The estimate for the proposed works are based on industry recognised prices, and estimated costs have been prepared having regard to the matters set out in the NSW Planning Circular PS 24-002 Changes to how development costs are calculated for planning purposes.

The estimated cost of carrying out the development includes:
Design & erection of building and associated infrastructure
Construction of the project
Fixed, mobile plant & equipment

Item	Quantity	Rate	\$
Use and Development As attached			\$95,153,000
Total for Construction Works			\$95,153,000
Fees incl. on-going design, consultant fees, long service levy, community consultation, on-going monitoring	Item		incl.
Total for EDC in accordance with NSW Planning Circular PS 24-002 dated 27 February 2024			\$95,153,000
GST	10%		\$9,515,300
Total incl Fees and GST			\$104,668,300

Notes

EDC is based on the full scope of works as identified in the development proposal at 20th March 2025

Rates above include allowances for prelims and margin.

Contingencies are included as noted

Procurement assumed to be based on competitive lump sum tenders

Land costs, legal fees, on-going maintenance and holding charges are excluded

Works outside the site boundary are excluded

GFA m2 (AIQS)	66,756 m2
Construction Cost Only \$/m2 GFA (AIQS)	\$1,352.91

Notes

- 1) Rates and prices are based on list of documents enclosed
- 2) Cost plan prepared broadly in accordance with the AIQS Cost Management Manual.

**Proposed Industrial Development
Estimated Development Cost Report (State Significant Projects)**

20-Mar-25

Basis of Preparation

The Estimated Development Cost Report has been prepared for NSW Department of Planning, Housing & Infrastructure with respect to the Secretary's Environmental Assessment Requirements (SEARS) issued for State significant projects in NSW

The Estimated Development Cost has been prepared in accordance with:

Legislative and regulatory requirements of the consent authority for calculating the EDC (EP&A Act, EP&A reg, SEPPs, the Planning Circular and SEARs)

AIQS practice standard for calculating the EDC for state significant projects in NSW

Refer enclosed document list

To the best of our knowledge there is no information that has not been issued to us which would materially affect the calculations used in the detailed calculation schedule for the preparation of the EDC

Matthew Dunk is a Certified Quantity Surveyor Registration No. #7583 and has recent experience working on the new auditorium for the State Library of NSW

To the best of our knowledge there are no matters that may impair the objectivity of the calculation of the Estimated Development Cost Report

Basis of Preparation

The Estimated Development Cost Report has been prepared on behalf of DHL Supply Chain (Australia) Pty Ltd with legal landowners being Richmond Bridge Burra Park 2 Pty Ltd as trustee of the Burra Park Property Trust 1 for the construction of two warehouses, offices, carparking & associated infrastructure

The State Significant Development Application seeks consent for the following:

Clearing of any vegetation within the proposed development area;

Benching and in-ground building services and utility work

Construction and use of Stage 2 Warehouse 01 & 02 including dock office

Construction of two storey office including reception, amenities, lunch room, breakout and meeting rooms to Warehouses

Construction of two storey carpark for each warehouse including rooftop canopies and external mesh and planter walls

Provision of shared access road and warehouse infrastructure, including Hardstanding and access roads

Extensive ground landscaping works; tree replenishment, footpaths and water features, and Extension and augmentation of infrastructure and services, as required

The Project will be delivered as a single stage
