Dear Ms Farnon

**United Wambo Open Cut Mine (SSD-7142)  
Approval of Air Quality and Greenhouse Gas Management Plan**

I refer to the updated Air Quality and Greenhouse Gas Management Plan which was submitted in accordance with Condition B29 of Schedule 2 of the development consent for the United Wambo Open Cut Mine (SSD-7142).

The Department has carefully reviewed the document and is satisfied that it has been updated to reflect findings of an Independent Environmental Audit submitted on 24 March 2021, noting that the changes that have been made are largely administrative in nature.

The Department also agrees, in accordance with condition A23 of Schedule 2, that due to the administrative nature of the revisions that consultation with the public authorities listed in condition B29 of Schedule 2 was not required.

Accordingly, the Secretary has approved the updated Air Quality and Greenhouse Gas Management Plan (Version 1.3, dated June 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Clibborn on 8837 6095 or via email at [sarah.clibborn@planning.nsw.gov.au](mailto:sarah.clibborn@planning.nsw.gov.au).

Yours sincerely
