**United Wambo Erosion and Sediment Control Plan**

I refer to the United Wambo Erosion and Sediment Control Plan (ESCP) which was submitted in accordance with condition B52 of Schedule 2 of the development consent for the United Wambo Open Cut Mine (SSD-7142).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the above condition.

Accordingly, the Secretary has approved the United Wambo ESCP (Revision 3.1, dated October 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.
