Dear Ms Farnon

**United Wambo Coal Mine (SSD-7142)  
Approval of Erosion and Sediment Control Plan**

I refer to the updated Erosion and Sediment Control Plan which was submitted in accordance with condition B52 of Schedule 2 of the consent for the United Wambo Open Cut Coal Mine (SSD-7142).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

The Department also agrees, in accordance with condition A23 of Schedule 2, that due to the administrative nature of the revisions that consultation with the public authorities listed in condition B52 of Schedule 2 was not required.

Accordingly, the Planning Secretary has approved the Erosion and Sediment Control Plan (Version 3, dated April 2022). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Clibborn on 8837 6095 or via email at [sarah.clibborn@planning.nsw.gov.au](mailto:sarah.clibborn@planning.nsw.gov.au).

Yours sincerely
