Dear Ms Farnon,

**United Wambo Open Cut Coal Project (SSD 7142)
Export Management Plan**

I refer to your correspondence of 17 July 2020, submitting the Export Management Plan for the United Wambo Open Cut Coal Mine (SSD 7142) on behalf of United Collieries Pty Limited.

The Department has carefully reviewed the proposed measures in the plan and is satisfied that they adequately address the requirements of condition B32 of the United Wambo development consent (SSD 7412) in relation to Phase 1B and Phase 2 of the approved project.

In particular, the Department notes that the proposed export destination list is limited to those countries that have ratified the Paris Agreement and therefore meets the requirements of condition B32(a) of the consent.

Accordingly, the Planning Secretary has approved the Export Management Plan (Version 1.1, dated July 2020). Please ensure that the approved plan is placed on the project website as soon as practicable.

Should you have any enquiries in relation to this matter, please contact Matthew Sprott, Director Resource Assessments at matthew.sprott@planning.nsw.gov.au

Yours sincerely
