Good Morning Paul

Thank you for advising Council of Hume Coal's Response to Submissions (RTS).

Council has reviewed the RTS. Council's position and concerns remain unchanged. Council asks the Department to critically analyse what has been submitted and assess the merits and impacts beyond just what has been prepared by Hume Coal.

If you wish to discuss this matter further I am happy to be contacted by either phone or email.

Regards

Dear Barry,  
Thanks for your time this morning.

As discussed, the Department has sent the Hume Coal Response to Submissions to Government agencies to see if it has addressed the issues raised in their submissions.

The Department would like to know if the RTS has sufficiently addressed the issues Council raised in its submission to the EIS.

I would appreciate it if you could review the RTS and let me know by **Tuesday 28 August 2018**.
