Subject: HPE CM: Sydney Zoo - Proposed Modification to Permit Permanent Installation of Ferris Wheel (SSD-7228-Mod-8)

Importance: High

Record Number: DOC2022/0069752

Hi Sally

We have reviewed the application and associated reports and have no objection to the proposal, subject to the Western Sydney Parklands Authority confirming that it does not object to the permanent installation of the Ferris wheel.

We confirm we have no objections to the permanent installation of the Ferris wheel as set out in our landowners consent for submission of the modification application on 2 December 2021.

Thank you for your patience in this matter.

Kind regards

Sharyn John
