Dear Mr McManus

**Notification of Modification Application - Parramatta Public and Arthur Phillip High Schools,
Parramatta (SSD 7237 MOD 3)**

I refer to your email received by the Office of Environment and Heritage (OEH) regarding the Modification 3 to SSD 7237 for Parramatta Public and Arthur Phillip High Schools, Parramatta. OEH understands that the modification proposes height increases, amendments to materials and finishes, relocation of the amenity block, amendments to the public domain interface and landscaping and new bike canopies and cricket nets.

OEH has considered the proposal and has decided not to provide comments on Aboriginal cultural heritage now. This does not represent OEH support for the proposal and this matter may still need to be considered in the assessment of the proposal.

If you have any queries regarding this matter, please contact Dana Alderson on 8837 6304 or dana.alderon@environment.nsw.gov.au.

Yours sincerely

S. Harrison 03/10/17
