

Department of Planning, Industry and Environment

## **Community Information Session**

### **Sancrox Quarry Expansion Project (SSD 7293)**

The Department of Planning, Industry and Environment is hosting a community information session in relation to the Sancrox Quarry Expansion Project. The purpose of this meeting is for the Department to listen to the community's views about the project and to provide advice on the State significant development assessment process.

All interested members of the community are invited to attend the information session. The meeting details are:

**Date:** Monday 10 February 2020

**Time:** 6.00 pm to 8.00 pm

**Location:** The Rydges Hotel, 1 Hay Street, Port Macquarie NSW 2444

The project was publicly exhibited between October and December 2019 and attracted a number of community submissions. While the exhibition period is now closed, the Department acknowledges the community's interest in the proposal and is seeking to meet with the community to hear its views at the information session.

The Independent Planning Commission is the consent authority for this application as more than 25 submissions by way of objection were received during the public exhibition period. The Department notes that the Commission is likely to engage further with the community prior to its determination of the project.

#### **Stay up to date**

To stay up to date on this project please create a user account on the Department's Major Projects website at [www.planningportal.nsw.gov.au/major-projects](http://www.planningportal.nsw.gov.au/major-projects). To create a user account, click the "Sign In" icon in the top right of the homepage or under the "Services" tab and then click the "Have Your Say" link. When you are logged in, find the project you want to have your say on, and click the 'Notify me' icon.
