

## REGISTER OF CULTURAL KNOWLEDGE HOLDER

Balickera

MCH and the proponent would like to facilitate a process whereby all registered Aboriginal parties are provided the opportunity to contribute to culturally appropriate information gathering, provide information that will enable the cultural significance of Aboriginal sites/places on the project area to be determined, and have input into the development of any cultural heritage management options. To enable this to occur, it is necessary to consult with the cultural knowledge holder(s).

To this end, as per the DECCW Aboriginal Cultural Heritage Consultation Requirements for Proponents (2010), you are required to provide details of the individual(s) who hold cultural knowledge (according to traditional lore) relevant to the project area. If your groups has no knowledge holders, this is important information too.

MCH would like to clearly state that, should you wish to provide feedback in another form, you are encouraged to do so. You are under no obligation to complete the current form. However, should you wish to use this form, please complete the appropriate box, sign and return to MCH, (Fax: 4952 5501).

Please fill in the following information for cultural knowledge holder(s). If there are more than three in your organisation please feel free to attach another sheet. If there are no knowledge holders in your group please send back blank.

Dear Lea,

**RE: BALICKERA HARD ROCK QUARRY SURVEY**

Thank you for registering your interest in the Indigenous archaeological assessment at Balickera.

Orogen Pty Ltd has received a number of applications and after careful consideration we would like to advise that your application for paid participation has been successful.

McCardle Cultural Heritage would like to organise the survey for the Balickera project for the 9 June 2011 starting at 8am on site (site entrance along Italia Rd at Balickera) for an induction prior to the survey. We anticipate work will be complete within the day, however, please be advised this time may change.

**Payment**

The rate of pay will be as detailed on your fees and charges schedule (copy attached) per actual hours worked by one representative of your group. This amount includes GST, travel and all other costs. Payment will be within 28 days of receipt of a correct invoice and your cultural heritage report.

Please note that payment rates have been determined by the proponent and are based on the project budget.

**OH&S Requirements**

Before commencement of work you must provide MCH with certificate of currencies for Workers Comp and Public Liability.

Field representatives participating in the survey will be required to wear covered shoes, long pants and long shirt (hi-visibility) with appropriate sun protection including hat. It is recommended that participants bring adequate amounts of food and water for the day.

**Community Involvement**

We will require from your group your cultural heritage report and invoice within 28 days of receiving the draft report from MCH.

Orogen Pty Ltd and MCH wishes reiterate its intent to positively engaging with the local Aboriginal community. In this spirit we have extended an invitation to other registered applicants to attend the survey.

If you accept the terms outlined in this letter please sign below and return to McCardle Cultural Heritage. **Participation in the program is dependant on the receipt of this signed letter and insurance details.**

Should you have any questions regarding these terms and conditions please contact Penny McCardle on 0412 702 396.

For more information about the project please contact Justin Meleo, Orogen Pty Ltd on 65553577.

We look forward to working with you on this project,

Yours sincerely,

Dear Lennie,

**RE: BALICKERA HARD ROCK QUARRY DRAFT REPORT**

Please find attached a copy of the draft report for the above named project for your review.

Your cultural significance assessment and report/letter is important as the project will benefit from your knowledge and comments. MCH would like to opportunity to include the cultural significance in the report to ensure both the scientific and cultural components are included to provide a bigger picture of the cultural landscape.

Additionally, any concerns you may have are also important and we would like the opportunity to address any concerns you may have.

In line with the OEHL requirements, we ask that you provide your comments, concerns and cultural significance report **no later than 29 July 2012**.

If you do not wish to provide any comments, report or letters, please notify MCH as soon as possible (even just a quick phone call or txt message) to ensure we do not keep sending reminders and requests for your response as this is both time consuming and may become bothersome to you.

Please note that failure to provide the required information by the date provided will result in a missed opportunity for you or knowledge holders to contribute to your cultural heritage and the project will proceed.

Hi Penny

I've read the report for 'Balickera,' everything we discussed onsite, was aptly reported and management plans that are in place are quite adequate for this Project. I do agree that our intellectual information gives us that a significant site is within the adjacent lands to the proposed project and Traffic outside of the immediate area should be limited.

Thank you, for the opportunity to participate in the consultation and field study stages
